WORK EXPERIENCE

UKG, Lowell, MA

May 2024 - Sep 2024

Finance and Accounting Intern

- Analyzed and enhanced balance sheet fluctuation data for General Ledger financial reporting.
- Designed a task list to streamline month-end close, collaborating with 36 colleagues to identify improvements and prototype solutions.
- Maintained a log of 600+ recurring journal entries through constant communication with the team.
- Standardized the naming of entries and accounts to streamline D365 and Blackline processes.

Ameresco Inc., Framingham, MA

June 2023 - August 2023

Finance and Accounting Intern

- Worked with five experts in the AP department of a detail-oriented cleantech company.
- Controlled a newly established tax database in D365 with over 70,000 entries by mastering Excel and Microsoft Office, reporting closing updates, and contacting hundreds of vendors.
- Collaborated cross-functionally with Ameresco's UK Finance Team and global partners to create accurate documentation of M&A meetings and all AP D365 functionalities.

Other: The Fruitlands Museum, Curator Intern for historic and socially resonant art, 2021 summer

LEADERSHIP & OTHER AFFILIATIONS
